

# ATLANTIC WHITE CEDAR TREE PLANTING

Saturday, March 26, 2022 | 9 am

**WHAT** Join the National Aquarium's Conservation team—in partnership with The Nature Conservancy—to plant Atlantic white cedar trees, a vulnerable species, and help perform site maintenance at Nassawango Creek Preserve. This 15-square-mile preserve includes wetland and upland habitat and is home to 60 species of migratory birds and various rare plant species.

**WHERE** Nassawango Creek Preserve  
Snow Hill, Maryland

**HOW** Participants must be at least 10 years old. All volunteers under 18 must be supervised by an adult. Contact us at [conserve@aquarium.org](mailto:conserve@aquarium.org) or 410-659-4249 for more information. In response to COVID-19, we encourage all unvaccinated attendees to wear a face covering while gathered in groups at our conservation events. Participants are strongly encouraged to register for this event, as capacity is limited to ensure safety.
